Interest Groups

Philosophical Discussion

This group has room for a couple more members. You might like to come along this year and get a taster of how the group works. Go to our website for more details - including who to contact

A Glimpse of Gardens in England

Anne Wall has kindly offered to run another "pop up" Group. This one is on Gardens in England and will run for 3 Friday afternoons in December. Go to our website for more details.

Movie Group

A reminder that this is a different type of Group. Instead of meeting face to face members swap emails about movies they have seen or might want to see. Through the group members can arrange to go to a movie with other members. Movies could be in Kāpiti or elsewhere. Go to our website for more details.

Mozart Appreciation Group

We have an offer from a member who has resources associated with Mozart - his life and music - and is willing to share these with fellow members in 2024 via a "Mozart Interest Group". For the group to run however it needs a TV with DVD player. If you have this and would be willing to act as a host for a half a dozen members for a pleasant morning or afternoon discussing Mozart please let a committee member know. No preparation is needed and you would only be the host.

New Members

We welcome these new members

Michael & Elaine Anderson, Kath Blair, Paul Bowden & Joanna Tennant, Peter Cogswell, Glen Elvidge, Irene Forsyth, Mary Green, Richard Hall & Vivienne Gray, Maureen HInde, Lynette & Robin House, Nina Mariette & Ronda Sangster, Nick Miller, Wayne & Kay Mills, Jo Murphy (Jo has returned after a few years away), Miriam Pennington, Catherine Robinson, Kerry Thornbury, Paul & Trish Veltman

Administration

2024 !

The end of the year is approaching and that is time to pay your U3A sub for 2024. The sub will be the same (\$15 pp) as this year. Please don't pay until you get the email with the payment details in it - in November.

Committee

We welcome Joy Sloan who has offered to assist as Treasurer and Wim Oosterhoff who has joined the committee and in 2024 will pick up some specific roles. Wim brings experience from Nelson U3A to our committee. The committee has agreed to pay Honoraria to committee members who do specific tasks and we have discontinued the practise of employing a part time Administrator. The work involved in Membership Administration has dropped considerably from what it was when the position was created some years ago. The abolition of cheques and the use of online banking means all our administration is "paperless" and online
